Advancing Prefabrication 2018

January 29-31, 2018, **Dallas, Texas**

Innovating Processes to Deliver High Quality Buildings with Reduced Cost & Schedule

Improving Collaboration & Understanding Between Stakeholders to Maximize Efficiency from Day One

42 speakers, including:

Amy Marks
Owner & President
XSite Modular

Jennifer Lund
Senior Director – Global
Design Strategies
Marriott International

Michael Barrett
GFEM Strategic
Program Manager
Intel Corporation

Zenon Radewych
Principal
WZMH Architects

Sue Klawans
SVP, Director of Operational
Excellence & Planning
Gilbane Co.

Magued Eldaief
CEO
Prescient

Mike Kotubey
President
TDIndustries

Joseph Manfredonia
VP & Director of
Preconstruction
Rinaldi Group LLC

Aaron Thompson
VP Design and
Prefabrication
NOX Innovations

“This was one of the best conferences I have ever attended. Material was extremely thought provoking and relevant.”

Haselden Construction

Pre-Conference Workshops | Monday, January 29, 2018

10.00 – 12.00 Session One

TD Industries, Dallas TX

Workshop A: Visit to a Working Prefabrication Shop

Zenon Radewych, Principal,
WZMH Architects

**Workshop B: Creating Quality Designs with Prefab
in Mind**

12.00 Lunch Break

13.00 – 15.00 Session Two

Scott Vlasek, BIM co-ordinator,
Marek Brothers Systems Inc

**Workshop C: Getting Started with Multi-Trade
Prefabrication**

Andrew Fleetwood, Lead Estimator (PCL
Agile), **PCL Construction**
Troy Galvin, Operations Lead (PCL Agile),
PCL Construction

Workshop D: Finding Partners & Team Setup

15.00 Afternoon Refreshments

15.30 – 17.30 Session Three

Marlin Booth, Director of Estimating,
Brandt Mechanical

Workshop E: Tracking, Estimating & Bidding

Steve Rose, Corporate Director: Packaging
& Prefabrication, **Rosendin Electric**
Dillon Doyle, Field Support Services
Manager, **Rosendin Electric**

**Workshop F: Maximizing Labour Efficiencies
in the Field**

17.30 End of Workshops

Conference Day One | Tuesday, January 30, 2018

Improving Collaboration to Enhance Project Outcomes

Amy Marks, Owner & President,
XSite Modular

8.00 Chair's Opening Remarks

Project Planning

Amy Marks, Owner & President,
XSite Modular

8.10 Keynote: Early Project Decision Making – How to Initiate Discussion of Prefabrication & Get it Agreed as a Priority from Day One

Sue Klawans, SVP, Director of Operational Excellence & Planning, **Gilbane Co.**

Amy Marks, Owner & President,
XSite Modular

Michael Barrett, GFEM Strategic Program Manager, **Intel Corporation**

Mike Kotubey, President, **TDIndustries**

Bill Dean, CEO, **M C Dean**

Laurie Robert, VP Sales & Marketing, **NRB Inc.**

8.50 Panel: Understanding & Communicating the Advantages of Prefabrication to Maximize Buy-In Across the Industry

Chandler Brooks, Director, Regional Marketing, **Procore Technologies Inc.**

9.40 Connectivity in Construction

9.50 Speed Networking & Morning Refreshments

Jennifer Lund, Senior Director - Global Design Strategies, **Marriott International**

David Walsh, Senior Director - Project Management, The Americas, **Marriott International**

10.40 The Owner's Perspective: How Did Marriott International Open the Door to Prefab to Tackle Portfolio Growth?

Todd Morowski & Don Ross, Sales Development Managers, **USG**

11.20 TAir Barrier Quality & Efficiency at Every Step

Conference Day One | Tuesday, January 30, 2018

Robert Crotty, AVP Capital Productivity Improvement & Strategy, **HCA**

Zenon Radewych, Principal, **WZMH Architects**

Terry Olynyk, Senior Construction Manager and Scrum Master, PCL Agile, **PCL Construction**

Paul Denham, President, **Southern Air**

Mark Krewedl, Senior Project Manager, **MacDonald-Miller**

Todd Bennett, Prefabrication Co-ordinator, **Letsos Company**

11.50 Panel: Optimizing the Scale of Prefabrication on Your Next Project

David Ronson, Senior Fabrication Technology Specialist, **Applied Software**

12.40 Leading the Way in Revit for Fabrication

12.50 Lunch Break

Multi-Trade Project Management

13.50 Case Study: Project Management When Prefabrication Is Raised as an Afterthought Post Signing of Subcontracts

Chris Hermreck, Senior Project Manager, **JE Dunn Construction co.**

Marty Corrado, Superintendent, **JE Dunn Construction Co.**

14.30 Organizing Collaboration Between Multiple Trades on a Single Assembly: Who Takes the Lead?

William Nitsche, VDC Director, **Snell Services**

MEP Design

13.50 Leveraging Early Design Collaboration to Improve Ease of Fabrication & Constructability

Bernie Sublette, Project Executive - Healthcare, **Hunt Construction Group**

Jerry Grogan, VP of Construction, **Third Palm Capital**

14.30 Case Study: Facilitating Sharing of Data from Revit to Fabrication Level Software

Aaron Thompson, VP Design and Prefabrication, **Corbins Electric.**

J D Martin, Business Solutions Manager, **Corbins Electric.**

15.10 Afternoon Refreshments

15.40 How to Structure Agreements to Drive Prefabrication & Secure Commitment from All Parties

Bill Fusco, Lean Program Director, **JE Dunn Construction Co.**

Marty Corrado, Superintendent, **JE Dunn Construction Co.**

Robert Crotty, AVP Capital Productivity Improvement & Strategy, **HCA**

15.40 Exploring the Capabilities of Revit & BIM – Training Staff, Exploring Functions & Discovering More About the Future of the Software

Joe Ehlers, VDC Director, **Prism Electric**

Conference Day One | Tuesday, January 30, 2018

16.10 Audience Discussion	16.10 Audience Discussion
16.20 Reviewing & Developing a Project Schedule that Optimizes Productivity Bill Fusco , Lean Program Director, JE Dunn Construction Co. Marty Corrado , Superintendent, JE Dunn Construction Co. Jenna Taylor , Senior Construction Manager, HCA	16.20 Easing the Extraction of Information from BIM Software Joe Ehlers , VDC Director, Prism Electric
17.00 Drinks Reception	
18.00 End of Day One	

Conference Day Two | Wednesday, January 31, 2018

Pushing Prefabrication Forward	
Amy Marks , Owner & President, XSite Modular	8.00 Chair's Opening Remarks
Sue Klawans , SVP, Director of Operational Excellence & Planning, Gilbane Co.	8.10 Audience Discussion: What Do You Use to Measure Success & How Do You Raise the Bar?
Jennifer Lund , Senior Director - Global Design Strategies, Marriott International Robert Crotty , AVP Capital Productivity Improvement & Strategy, HCA Mike Kotubey , President, TDIndustries Phillip Greany , Construction Executive, Mortenson Michael Logue , Preconstruction Manager, Western Partitions	8.50 Panel: Standardizing Practices to Avoid Re-Inventing the Wheel on Every Project
Joseph Manfredonia , VP & Director of Preconstruction, Rinaldi Group	9.40 Modular Case Study: Showing the Cutting Edge of Prefabrication Capabilities
Joel Smith , Director of Contractor Development, Greenlee Textron	10.20 Exploring Bendworks Conduit Layout Software

Conference Day Two | Wednesday, January 31, 2018

10.30 Speed Networking & Morning Refreshments

Logistics of Multi-Trade Prefabrication	Improving Manufacturing Processes
<p>11.20 Offsite Work: How Can Multiple Trades Come Together Under One Roof? Chris Weaver, Director of Technology, Andy Egan Co. Duke Cleveland, VDC Manager, Andy Egan Co.</p>	<p>11.20 Reviewing & Purchasing the Best Tools Designed for Mass Production Chris Nightser, Prefabrication Operations Manager, Miller Electric Co.</p>
<p>12.00 Employing Lean Principles to Maximize Supply Chain Co-Ordination & Improve Delivery Brian Aasman, Lean Manager, Houle Electric Patrick Holley, Prefabrication Manager, Houle Electric</p>	<p>12.00 Case Study: Ensuring Quality Control in the Workshop Michael Logue, Preconstruction Manager, Western Partitions</p>
<p>12.40 Real Time Data Capture: Tracking Metrics & Efficiencies of Production & Installation Evgeny Kaplun, Chief Systems Engineer, M C Dean</p>	<p>12.40 Packaging Methodology & Protection of Assemblies on the Job Site Todd Bennett, Prefabrication Co-ordinator, Letsos Company</p>

13.20 Lunch Break

<p>Magued Eldaief, CEO, Prescient</p>	<p>14.20 How Can Digitalization Advance the Use of Prefabrication?</p>
<p>Scott Vlasek, BIM Co-ordinator, Marek Brothers Systems Inc.</p>	<p>15.00 Exploring the Use of Field Technology to Assist Installation & Quality Control on the Job Site</p>
<p>Sue Klawans, SVP, Director of Operational Excellence & Planning, Gilbane Co. Nancy Novak, SVP Construction, Compass Datacenters Magued Eldaief, CEO, Prescient</p>	<p>15.40 Panel: What Does the Future of Prefabrication Look Like in the Competitive Market?</p>
<p>Amy Marks, Owner & President, XSite Modular</p>	<p>16.30 Chair's Closing Remarks</p>

16.40 End of Day Two
